 Majed Alqudah

EDUCATION

JORDAN UNIVERSITY OF SCIENCE AND TECHNOLOGY	2020/2021 - 2023/2024
Bachelor's COMPOUTER SCIENCE	
Cumulative GPA Rank: Very Good	

RESEARCH PROJECTS

Personal Portfolio Website

<https://majedalqudah.github.io/>
a website made by html css javascript

Multi-threaded Dictionary Server

server follows a client-server architecture using sockets and threads. It implements a multi-threaded design to handle concurrent client requests. The server listens for incoming connections on a specified port and responds to client queries with the meanings of words from the dictionary
link :<https://github.com/MajedAlqudah/Multi-threaded-Dictionary-Server.git>

FlobbyShooter game

A 2D game made using pygame library in python
link <https://github.com/MajedAlqudah/pygame.git>

SKILLS

- Team Collaboration
- Communication Skills
- Time Management
- Critical Thinking
- Adaptability

PROGRAMMING LANGUAGES AND SOFTWARES

- HTML, Css, Js
- python(pygame/panda/numpy)
- C++
- Git/GitHub
- Visual Studio Code
- Adobe /PR/AE/PS

LANGUAGES

Arabic Native | Mother Tongue | Proficiency
English Very Good | Proficiency
